## Principal's Message

The unusual fall weather pattern has us all scrambling for warmer coats, boots and mittens a lot earlier than expected. Thank you for sending your children with appropriate clothing.

Safety is always a priority in Chinook's Edge School Division. An Inclement Weather plan is in place for all schools.

⇒ **Yellow Days**—buses might not run in all or some areas of the Division, but **schools are open and learning will proceed as usual**. If your child is not going to be at school, please remember to phone and tell us their absence.

⇒ **Red Day**—Buses are not running. **A given school, areas or the entire division will be closed.**

"Yellow" and "Red" days will be communicated to parents by automated message (text, phone call or email) through **School Messaging System**. This information is also communicated through local radio stations and the CESD website.

Further information on Inclement Weather is available on the [CESD](#) home page *Student & Parents* section.
