PRINCIPAL'S MESSAGE

As we head into the final days of the school year, the excitement for summer is definitely in the air! Classrooms are wrapping up the year with field trips, class parties, and welcoming parent volunteers—thank you for being part of these celebrations.

With the longer days and warmer weather, it's easy to slip into summer routines early. We encourage families to maintain regular routines and consistent bedtimes to help students stay rested and ready to learn. A day at school is like a workday for our students—full of thinking, collaboration, and effort. Learning continues right to the end, and our staff are committed to helping students grow academically through these last few weeks.

On Friday, May 30th, we held our Jessie Duncan Field Day—and it was a huge success! A heartfelt thank you goes out to our Field Day Committee and to the 50 parents and community members who volunteered their time. These special events create lasting memories for students and simply wouldn't happen without the support of our caring and dedicated volunteers.

On the last day of classes, progress reports will be sent home with students. You will also receive an email that day with your child's classroom placement for next year. Please note that as the 2025–2026 school year begins, minor adjustments to class placements may be necessary based on changing enrollment numbers. These shifts are not uncommon, and we approach them thoughtfully, with your child's needs in mind. If any changes affect your child, we will contact you directly.

It has been another wonderful year of learning, growth, and friendships at Jessie Duncan. Thank you to our families and community for your continued support. Whether you've volunteered, fundraised, or helped at home, your partnership makes a difference, and we are truly grateful.

Wishing you all a safe and relaxing summer!

Warm regards,
Kory Sholdice
